Ardington School of Crafts is based in a lovely Victorian school building in the downland village of Ardington, South Oxfordshire with classrooms that are spacious and flooded with natural light

We have an attractive garden and courtyard area for sunny days and views over rolling Oxfordshire countryside

Our tutors are selected for their high standard of craftsmanship and reputation in their respective fields

Alongside the tuition, your day includes complimentary cookies, lunch and afternoon cakes

Teas & freshly brewed coffee are available free all day

The future is handmade

New courses coming (see online for updates) include:

Upcycled furniture, Needle felt pets, Write your first book, Silk Painting
